

CONCLUSION

Dr. Hogan writes that we are at a pivotal moment in history. He reminds us that today's cultural hurricane is both a gift and a challenge. Dr. Hogan invites you to be the answer now.

1. How does the landscape of your life look different now that you have completed the book *The Gift of Cultural Hurricanes*?

2. What are some of the dangers and opportunities before you as you recover the present moment?

3. What are some of the temptations and blessings as you restore a life of gratitude?

4. What are some of the risks and joys in reclaiming a life of loving connections?
